

YOUR LIFE HAS BEEN DELAYED

A YA time travel from debut author
MICHELLE I. MASON

"With its intriguing premise and approachable first-person narrative, this page-turner encourages readers to appreciate the now."

PUBLISHER'S WEEKLY

When seventeen-year-old Jenny Waters boards her flight back from New York City in 1995, the biggest things on her mind are applying to Columbia and reuniting with her boyfriend. But when she and the other passengers disembark in St. Louis, they're told that their plane disappeared . . . twenty-five years ago.
